

PREPARATION PHASE
Action-Able Exercise P10:
See your Saboteur

How will you spot the Saboteur? Consider the usual questions as you see this sneaky character. What is your Saboteur wearing or holding to help you identify him/her? Maybe your Saboteur wears an old-fashioned spy's fedora and trench coat with the collar up as he tries to hide himself. Or maybe she's a double agent wearing sunglasses. Use a cartoon speech bubble to show what your Saboteur says to upend your progress. Describe or create a detailed image of your Saboteur so you can clearly see him/her in your mind's eye.
